Dear George:

We are submitting in duplicate herewith a Statement of Work and a summary of estimated costs for the training of customer personnel in the theory, structure operation, installation and maintenance of System 1.

25X1A

25X1A

Training has already been completed for [REDACTED]

[REDACTED] A formal training class for eleven persons was initiated on 3 October 1955 and will continue until 7 November 1955.

The cost estimate does not include the cost of instruction on System 1 for classes that may be formed later this year or early next year, but covers the cost of preparation of System 1 instruction manuals, other training aids, and two complete sets of System 1 air-borne equipment and one ground test set which will be utilized in all System 1 training that may be required.

Sincerely,

Dean

PHASES ONE AND TWO
OF
TRAINING PROGRAM FOR SYSTEM ONE

STATEMENT OF WORK

The contractor will provide training as follows:

1. Informal training sessions for one person from 1 August to 10 August 1955, and for one person from 1 August to 12 September 1955, in the theory, structure, operation, installation and maintenance of System One.
2. Formal training sessions for twelve persons from 3 October to 7 November 1955 (five weeks) in the theory, structure, operation, installation and maintenance of System One and ARN-6 Radio Compass.

The estimated cost includes the cost of:

- a. labor for the preparation of the training program, training aids and information to be presented at all training sessions;
- b. direct charges for equipment and material for training aids to be used at all training sessions; and
- c. labor for instruction for the above two training sessions only.

The contractor will provide the facilities space for the training sessions, the cost of which is included as an item in overhead.
